

# ORO FIRST ANNUAL SAFETY FAIR

**At Work or Play, Resolve to be Involved!**

**May 7, 2009**

**9:00 a.m. – 3:00 p.m.**

We would like to challenge each ORO organization to agree to sponsor a booth. This would encourage participation in a more involved manner. Each organization can decide on a theme for office safety or off-the-job safety, do their own research (or Susan or I can assist), and set up a booth. It will be very interesting to see the different types of activities and presentations that are presented. There will be a team of judges who will visit the booths (identity will remain a secret) to evaluate and vote on special award winners. Unbiased judges to be determined. Federal and Support Service Contractor's will be eligible for judging. See Booth Award Categories below. Each organization should understand that their booth should be manned from 9:00 -3:00 on May 7, 2009. Booths can be set up the afternoon of May 6<sup>th</sup> or early May 7<sup>th</sup>.

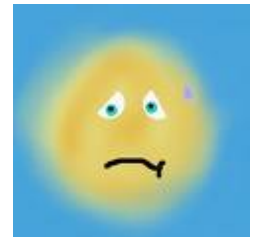

Each ORO organization that decides to sponsor a booth in the Safety Fair needs to contact Jenny Mullins at [mullinsjg@oro.doe.gov](mailto:mullinsjg@oro.doe.gov) or Susan Blackburn at [blackburnsh@oro.doe.gov](mailto:blackburnsh@oro.doe.gov) by April 1, 2009 with the following information:
